

"Crimson And Clover"

Oh

Now I don't hardly know her

But I think I could love her

Crimson and clover

Ah

I wish she'd come walking over

Now I've been waiting to show her

Crimson and clover

Over and over

Yes (da-da, da-da, da-da)

My my, such a sweet thing (da-da, da-da, da-da)

I want to do everything (da-da, da-da, da-da)

What a beautiful feeling (da-da, da-da, da-da)

Crimson and clover (da-da, da-da, da-da)

Over and over

Crimson and clover, over and over

Crimson and clover, over and over

Crimson and clover, over and over

Crimson and clover, over and over

Crimson and clover, over and over

Crimson and clover, over and over
