The following part is played relatively fast, so i recommend practise those scales to killer chops...

e|-----|
B|-----15h17p15-----17-15--15-----15h18p15h17p15-15--15-----|
G|-17-----17-15-----17--17-15-17-----17--17b--|
D|---17p15h17-----|
A|-----|
E|-----|

okay, unfortunately thats all i have... hopefully, that should get you started, the in the solo is spaced out for legibility, and it played quite fast, thats why it hard for me tab it... i will hopefully have the rest of it done soon...
