Capo 6

C Em Am G

### VERSE 1

C Em  
I hopped off the plane at L.A.X.

Am G  
With a dream and my cardigan

C Em  
Welcome to the land of fame excess,

Am G  
Am I gonna fit in?

C  
Jumped in the cab,  
Em Am  
Here I am for the first time

G  
Look to my right and I see the Hollywood sign

C Em  
This is all so crazy  
Am G  
Everybody seems so famous

C Em Am  
My tummy's turnin' and I'm feelin' kinda home sick

G  
Too much pressure and I'm nervous,

C Em  
That's when the taxi man turned on the radio

Am G  
And a Jay-Z song was on  
And the Jay-Z song was on  
And the Jay-Z song was on

### Chorus

C  
So I put my hands up  
Em Am  
They're playing my song,

G  
And the butterflies fly away

C Em Am  
I'm noddin' my head like yeah

G  
I'm movin' my hips like yeah

C  
I got my hands up,  
Em Am  
They're playin' my song

G  
I know I'm gonna be OK  
C Em Am G  
Yeah, it's a party in the USA

Like "Who's that chick, that's rockin' kicks?  
Am G  
She gotta be from out of town"

C Em Am  
So hard with my girls not around me  
G  
It's definitely not a Nashville party  
C Em Am  
'cause all I see are stilettos

I guess I never got the memo

C Em Am  
My tummy's turnin' and I'm feelin' kinda home sick

Too much pressure and I'm nervous
