

## **December 1963**

Oh, what a night, late December back in '63  
What a very special time for me  
As I remember what a night!

Oh what a night,  
You know I didn't even know her name  
But I was never gonna be the same  
What a lady, what a night!

Oh, I got a funny feeling when she walked in the room  
And I, as I recall it ended much too soon

Oh what a night,  
Hypnotizing, mesmerizing me  
She was everything I dreamed she'd be  
Sweet surrender, what a night!

I felt a rush like a rolling ball of thunder  
Spinning my head around and taking my body under  
(Oh what a night!)

## **Can't take my eyes off of you**

You're just too good to be true  
Can't take my eyes off of you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off of you

Pardon the way that I stare  
There's nothing else to compare  
The sight of you leaves me weak  
There are no words left to speak  
But if you feel like I feel  
Please let me know that it's real  
You're just too good to be true  
Can't take my eyes off of you

I love you, baby, and if it's quite alright  
I need you, baby, to warm a lonely night  
I love you, baby, trust in me when I say  
Oh, pretty baby, don't bring me down, I pray  
Oh, pretty baby, now that I found you, stay  
And let me love you, baby, let me love you

## WHO LOVES YOU

(ah ah ah) When tears are in your eyes and you can't find the way  
(ah ah ah) It's hard to make believe you're happy when you're gray  
(ah---) Baby, when you're feelin' like (baby) you'll never (baby) see the mornin' light (doot doot doot doot doot doot)  
Come to me (all)  
Baby, you'll see

Who loves you, pretty baby?  
Who's gonna help you through the night?  
Who loves you, pretty mama?  
Who's always there to make it?  
Who loves you?  
Who loves you, pretty baby?  
Who's gonna love you, mama?  
Who loves you?  
Who loves you, pretty baby?

(ah ah ah) And when you think the whole wide world has passed you by  
(ah ah ah) You keep on tryin', but you really don't know why  
(ah---) Baby, when you need a smile (baby) to help the shadows (baby) drift away (doot doot doot doot doot doot)  
Come to me (all)  
Baby, you'll see

Who loves you, pretty baby?  
Who's gonna help you through the night?  
Who loves you, pretty mama?  
Who's always there to make it?

Who loves you?        Who's gonna love you, love you?  
Who's gonna love you?  
Who loves you?        Who's gonna love you, love you?  
Who's gonna love you pretty baby

Ah Ahhhhhhhh  
Ah AHHHHHHHHHHH!!
