This is a great song and a lot of the other chord charts are close but not perfect. I'm mostly just doing this so I can easily transpose the key. This is my first submission so hopefully I won't f it up.

E D G
C B E
A D

[Verse]

```

      G      D
When I was a young boy
      Em      Bm      C
My father took me into the city
      Bm      Am - D

He said, "Son, when you grow up
      Em      Bm      C
Would you be the savior of the broken
      Bm      Am - D
The beaten and the damned??

      Em      Bm      C
Your demons and all the non-believers
