

Shot through the heart  
And you're to blame  
Darlin'  
You give love a bad name

An angel's smile is what you sell  
You promise me heaven, then put me through Hell  
Chains of love got a hold on me  
When passions a prison, you can't break free

Oh, you're a loaded gun, yeah  
Oh, there's nowhere to run  
No one can save me  
The damage is done

Shot through the heart  
And you're to blame  
You give love a bad name (bad name)  
I play my part and you play your game  
You give love a bad name (bad name)  
You give love, a bad name

Paint your smile on your lips  
Blood red nails on your fingertips  
A school boy's dream, you act so shy  
Your very first kiss was your first kiss goodbye

Oh, you're a loaded gun  
Oh, there's nowhere to run  
No one can save me  
The damage is done

Shot through the heart  
And you're to blame  
You give love a bad name (bad name)  
I play my part and you play your game  
You give love a bad name (bad name)  
You give love, oh!

[Guitar Solo]

Oh!

Shot through the heart

And you're to blame

You give love a bad name

I play my part and you play your game

You give love a bad name (bad name)

Shot through the heart

And you're to blame

You give love a bad name (bad name)

I play my part and you play your game

You give love a bad name (bad name)

You give love

You give love (bad name)

You give love

You give love (bad name)

You give love

You give love (bad name)

You give love
